It is the mission of the Pioneer Union Elementary School District to provide for the educational needs, both academic and social, and to enhance and improve educational opportunities for community members of all ages.

It is important to note that the times listed are approximations and may vary daily depending on attendance. Therefore, it is advised to be prepared to be at the bus stop as early as 10 minutes after the child is released from school. The bus will not wait, and if no one is at the bus stop to pick up the child, they will be brought back to school.
