PIONEER UNION ELEMENTARY SCHOOL DISTRICT

ORIGINAL BUDGET REPORT

2024-25

Pioneer Union School District 2024-2025 Original Budget Assumptions June 5, 2024

Introduction:

Beginning with the 2013-14 fiscal year, the Local Control Funding Formula (LCFF) was adopted to replace the previous K12 Education "Revenue Limit" Budget funding model. The LCFF consolidates most funding streams into one lump sum and includes additional funds for students who are either English language learners, receive free and reduced priced meals or are Foster or Homeless Youth. Included in the LCFF proposal is also a Local Control Accountability Plan (LCAP) that requires districts to create a path for the future, with input from students, parents, teachers, and bargaining units as well as administration and the Board. This information is entered into the template created by the California Department of Education and submitted to the local County Office for approval. The LCAP is a living document and is updated and submitted on a yearly basis. In addition to this, there is an annual update component that compares actual expenses to the budgeted estimates in the previous year.

The 2024-25 Original Budget presented here represents the revised budget for the 2024-25 fiscal year for the Pioneer Union School District. The annual budget is a living document which reflects the best information and economic factors available as a snapshot in time. Economic factors are monitored throughout the year and the budget is evaluated and updated periodically based on those factors as well as any other shifting instructional, social or emotional needs of students and staff that may arise. The 2024-25 Original Budget of the Pioneer Union School District is respectfully submitted for your approval based on the economic factors and assumptions outlined below.

2023-24 Estimated Actuals:

The 2023-24 Estimated Actuals are included in the Original Budget report and represent the final projection of revenue and expenditures for the current fiscal year. The Estimated Actuals project the beginning fund balances for the upcoming fiscal year. Revenues and expenditures budgeted at Estimated Actuals have been adjusted to align more closely with actual year-to-date activity. For funding sources that are not projected to be fully expended in the 2023-24 year but allow for carryover of the unexpended funds have been adjusted and the spending of the remaining funds is reflected in the 2024-25 Original Budget. The 2023-24 Estimated Actuals project an unrestricted surplus of \$91,616 and a restricted deficit of \$111,343. The Estimated Actuals project an unrestricted ending fund balance of \$739,891 and a restricted ending fund balance of \$586,667.

2024-25 Original Budget:

<u>Revenue:</u>

The LCFF calculations used in this budget are based on the current statutory COLA of 1.07% as included in the Governor's May Revision and on the current enrollment of 37 students and a corresponding average daily attendance (ADA) rate of 89%, or 32.93. Attendance will continue to be monitored and adjusted through the year. Pioneer is projected to be funded as a Necessary Small School for 2024-25.

Class-size Reduction has changed due to its inclusion in the LCFF and is now called the Grade Span Adjustment (GSA). The new GSA ratio has been expanded to 24:1, and the new rate for 2023-24 adjusted for the COLA is \$1,032 per TK-3 student participating in the program. The current budget also includes a new add-on due to the expansion of Transitional Kindergarten (TK). For the 2023-24 school year, districts will receive an additional \$3,077 per ADA for their TK students. This new funding has been added to help mitigate the increased staffing costs related to the lower student to staff ratios required in TK classrooms moving forward. Pioneer will receive an additional \$13,693 based on a projection of 4.45 TK ADA in 2024-25.

Lottery revenue remains at \$72.00/ADA for Restricted Lottery and \$177.00/ADA for Unrestricted Lottery.

The below chart reflects restricted currently budgeted:

| Source | Budgeted Revenue |
|--|------------------|
| Expanded Learning Opportunities Program (2600) | \$55,070 |
| Title 1 (3010) | \$84,776 |
| ESSA School Improvement (CSI) (3182) | \$180,021 |
| Title II (4035) | \$7,720 |
| Title IV (4127) | \$10,000 |
| Indian Education (4510) | \$4,000 |
| REAP SRSA (5810) | \$5,368 |

Salaries and Benefits:

Salaries have been budgeted to reflect current staffing levels; step and column increases are included as appropriate. Staff are currently supported by unrestricted funds as well as restricted on-going and one-time allocations.

For budgeting purposes, the following rates were used for statutory benefits:

| Statutory Benefits | 2022-23 Employer Rate Used for Budget |
|------------------------------------|---------------------------------------|
| STRS | 19.10% |
| PERS | 27.05% |
| Social Security | 6.20% |
| Medicare | 1.45% |
| State Unemployment Insurance (SUI) | 0.05% |
| Worker's Compensation | 2.38% |

<u>Other:</u>

Beginning balances for the 2024-25 Original Budget are based on the 2023-24 Estimated Actuals. The General Fund Unrestricted beginning balance is 739,891.

Supplies and Other Operating Expenditures are budgeted based on one-time funds that remain available, current and prior year analysis and direction provided by the District's Administration. The operating budget includes the new property and liability insurance premium of \$200k for the 2024-25 fiscal year.

Special Education Billbacks are projected based on updated estimates provided by the entity providing the Special Education Services if available. The Special Ed billback from Butte County Office of Education (BCOE) is budgeted at \$68K for the Original Budget. The costs in relation to the current AB602 funding levels require a contribution from the Unrestricted General Fund and the budgeted contribution is \$67K.

Transportation is now funded through an add-on to the LCFF, Transportation. Pioneer's Home-to-School Transportation add-on is projected to be \$67,930 for 2024-25. Pioneer is budgeting for providing transportation services in 2024-25 at an estimated cost of \$86,317.

The current Food Service Programs operated by Pioneer is an Afterschool Snack Program. A contribution from the Unrestricted General Fund of \$19K is necessary to support the program.

Pioneer is projected to meet the state's minimum reserve requirement in all three years of the MYP, however the district is expected to need a transfer of \$150K from their Special Reserve for Non-Capital Outlay Fund (Fund 17) in year 3 to meet the requirement. A major factor in the deficit spending is the dramatic increase in

the district's property and liability insurance premium. As the state budget is finalized and actual 2024-25 enrollment is realized necessary adjustments will be made. It is imperative that the district continue to be fiscally mindful of its financial status.

The Cashflow is projected to be positive at year end June 30, 2025.

The 2024-25 Original Budget was built on the assumption that the school will be returning to Berry Creek for the 2024-25 school year. The budgeted amounts were based on analysis of prior years and projections from the current administration. Due to the significant unknown factors, the budget may be more favorable or less favorable than actual costs and the budget will be updated throughout the year as more concrete information and expenditures are determined.

Final Thoughts:

The last several years have been some of the most challenging we have experienced in recent history. The 2020-21 year began with Local Education Agencies (LEAs) facing potentially devastating across-the-board reductions to the LCFF of 10%; only to see that quickly transform into record level funding as the State's economy rebounded from the crisis of the COVID-19 pandemic much more quickly than anticipated. While this was highly favorable to LEA's, the ongoing operational obstacles caused by the pandemic combined with the administrative burdens of implementing new programs and state mandates have created additional challenges. In addition, there are many signs that suggest that the state of California is heading into an economic downturn, and that education funding will be negatively impacted by this. If that is the case, it will be essential for LEAs to manage their budgets closely to help ensure their continued fiscal viability. However, these challenges have also reinforced the critical role our schools play in serving our students and supporting the needs of the whole child. As we move in the new school year, Pioneer will need to continue to be innovative and forward-thinking and responsibly manage our funds to ensure that they are best utilized to provide the best programs, services and support for our students and community. We are pleased to present the 2024-25 Original Budget to you for your approval.

S8. Status of Labor Agreements

Analyze the status of all employee labor agreements. Identify new labor agreements, as well as new commitments provided as part of previously ratified multiyear agreements; and include all contracts, including all administrator contracts (and including all compensation). For new agreements, indicate the date of the required board meeting. Compare the increase in new commitments to the projected increase in ongoing revenues, and explain how these commitments will be funded in future fiscal years.

If salary and benefit negotiations are not finalized at budget adoption, upon settlement with certificated or classified staff:

The school district must determine the cost of the settlement, including salaries, benefits, and any other agreements that change costs, and provide the county office of education (COE) with an analysis of the cost of the settlement and its impact on the operating budget.

The county superintendent shall review the analysis relative to the criteria and standards, and may provide written comments to the president of the district governing board and superintendent.
