Dear Berry Creek Parents,

Transportation is provided to our families who live in Berry Creek on a first come first serve basis due to limited capacity. After approval of transportation is granted by the superintendent, the following documents must be on file before the child is transported.

- **Covid-19 Liability waiver**
- **Transportation Conduct Rules**
- **Permission to Transport and Treat**

When your child gets on the van, their temperature will be taken and they will be required to wear a mask at all times. Cameras are installed in each van. Our expectation is that all students will follow the conduct rules. If your child loses their transportation due to inappropriate conduct, it will be your responsibility to get them to school.
